RE: Williams, Eugene
Dkt. No. 04-CR-466-001
Request to Waive Subsistence

Dear Judge Linares:

On January 12, 2006, Your Honor sentenced the offender to twenty-four (24) months of imprisonment followed by three (3) years of supervised release after pleading guilty to conspiracy to distribute a controlled dangerous substance, crack cocaine. On September 27, 2010, the offender's term under supervision was extended for a period of twelve (12) months due to ongoing matters of non-compliance.

On April 18, 2011, additional noncompliance resulted in a Court approved modification of the conditions of supervised release to include four (4) months of community confinement. On May 24, 2011, the offender was admitted into Toler House, a Bureau of Prisons approved RRC. Since his arrival, Williams has not paid subsistence due to financial hardship. Although gainfully employed as a laborer with Clean Venture in Elizabeth, the majority of Williams income is garnished for child support. It is our request that the Court authorize that the subsistence be waived.

Below is a check list for Your Honor's consideration and response. We will make ourselves available should the Court wish to discuss this matter. You may contact the undersigned officer at 973-645-4513.

Respectfully submitted,

WILFREDO TORRES, Chief
U.S. Probation Officer
